We have scheduled a Neighborhood Mixer for this Sunday and would like to have LAPD command present to dialogue with the community about our efforts to address on-going crime issues on Melrose. We see this as a positive opportunity to build relationships. Our RSVP response is stronger than we've ever experienced so a good crowd is expected.

Councilman Koretz will be personally present as well.

Breakfast will be served. The event will be at Vinoteque Restaurant 7469 Melrose.

I thought that I had previously written to request you or Captain Sandoval to attend but can't find the email, which may mean I made a mistake! I hope this is not the first you're hearing our request. If it is, please accept my apologies! Can we arrange an LAPD presence for the event?

Thanks for you assistance.
